The Tiger made his mark on the pages of the history of Tucker High School, and THS made a lasting impression on him.

The Tiger's world is made of all these things and more. Throughout the year, as he traveled through his world of the student, the athlete, the citizen, and the philosopher, he did his best to maintain the honor and dignity befitting a Tiger. The TIGER staff has endeavored to capture him in his many complex moods, "to tell it like it is." The Tiger invites one and all to join him for a closer look at his world, a glorious panorama of color!!

## Dedication

In past years, it has been tradition for the senior class to honor an individual who has done something for that class by dedicating the annual to that person. We, the class of '69, wish to show our gratitude to someone who has devoted untold hours of service to T.H.S. and our class.

We dedicate the 1969 TIGER to the man who has not merely given us something, but indeed, everything,

## What About Junior High?

A feature of many school systems which is not included in the DeKalb County Ssystem is the junior high school. Although perhaps not a necessity, a junior high school system would be an improvement.

Sub-freshmen need more time to grow up before they are thrown into a school with Seniors. There are even a few classes which contain student from each grade. The competition is not quite fair. Eighth graders are also exposed to dating much more than they would be if they were in a junior high for three years.

Junior highs would cut down on the size of high schools. Smaller schools would be easier on principals, students, and teachers. Juniors and Seniors could be allowed more privileges and could be treated more like adults. There is a tremendous difference in a school in which the youngest students are sixteen and a school in which the youngest students are thirteen.

A more effective student government could result from junior highs. As sophomores, students would be the leaders in their school. They would learn more about accepting responsibility and assuming leadership.

Many, many states have successful junior high systems. Maybe when DeKalb County quits growing so fast, junior highs would be possible here. Certainly they would be beneficial to all concerned.

Ask yourself this: Have you become so involved that you forget special things?

During the coming holidays, why not draw back from the universal plunge and take a good look at yourself.

Resolve in the coming weeks to focus on your family. Be a spiritual isolationist—just for a little while.

Spend time on trimming and decorating your home. Make a real Christmas setting. Remember for some of us the holiday is the last long Christmas at home.

Go out and make friends. Greet someone with a simple smile. Make a gesture of a wave. Work at keeping friends happy and making new ones.

1st row: L. to R. — Greg Greenway, Marty Crawley, Robby North, Bobby Jordan, Jimmy Chesnut, Davis Gravelly. 2nd row: Don Cheek, Robert Wynne, Carlton Groom, Bob Taylor, Ken Greenway, Mike Cason, John King.

Marietta 13-6

Marietta jumped out in front of our Tigers early in the first quarter after a quick drive and led 6-0. Early in the 2nd quarter, however, Tucker decided to play football. David McMakin intercepted a Marietta pass and six plays later Tucker led 7-6. Tucker dominated the remainder of the game but managed only one more score. Friday the 13th found Georgia's defending AAA champs on the wrong end of an upset, with the better team winning.

Decatur 21-14

Unbeaten Decatur entered its home stadium expecting to find an easy victory after Tucker's loss to Briarcliff; Tucker didn't have it planned quite that way. Despite a strong statistical lead, Tucker led only by the score of 7-0 at the half. Late in the 3rd quarter both teams seemed to spring to life, however. An inspired defensive unit, led by senior Greg Greenway, managed to hold the Bulldogs during a late drive, giving Tucker a 21-14 win.

Chamblee 35-20

The Bulldogs were the last team to face the 1969 Tigers and the last to be quite evenly matched until late in the game. With Tucker leading 21-20 a Chamblee field goal attempt failed, and this failure seemed to take the fight out of the Bulldogs. The rest of the game belonged to Tucker, with two T.D.'s coming in the 4th quarter.

Druid Hills 10-0

Despite poor playing conditions, the Tigers delivered another homecoming victory this year. After a scoreless first half the Tucker "machine" began to function. Early in the third quarter David McMakin put the first points on the scoreboard, giving T.H.S. a 7-0 lead. Penalties nullified two Tucker T.D.'s late in the quarter. A 26 yard field goal by Mac Beaty completed the scoring.

Athens 20-28

An action-packed game was the result when these two great teams met. The score shifted back and forth until late in the third quarter when the 8AAA region champions, the Athens Trojans, took the lead for the first time and held it to win 28-20.

Captain Jimmy Chesnut =22

Co-captains Don Cheek =77 Robby North =20

Therrell 35-6

The Tigers made their second game a memorable one. A 78 yd. run by Jimmy Murray gave Tucker an early lead, one which they never lost. Therrell's only score came in the 4th quarter, but even then the tough Tucker defense blocked the PAT.

## Chesnut Establishes 4 Year Rushing Record

Sequoyah 27-17

The Sequoyah Braves, looking for their 3rd straight win, shocked the Tigers by returning the opening kickoff 95 yds. At halftime they led 17-7 and the Tigers were in trouble. Tucker's salvation came in the second half in the form of a David McMakin to Robby North combination. A late score by Jimmy Chesnut guaranteed the Tiger victory.

**Tigers — 32      Lizards — 28**

The highly-rated Lakeside Vikings played their first football game against a real football team on November 8th. The strong sense of rivalry which has always existed was quite evident both on and off the field. Tucker scoring consisted of T.D.'s by Chesnut, McMakin, and North, a field goal by Beaty, and a safety by Downey. The game was not as the score would indicate with two Lizard touchdowns coming within the last two minutes of the game. The best team won; nothing more can be said, except "Thank you, Tigers."

Cross Keys 27-7

After an opening touchdown drive of 80 yds., the mighty Tigers continued to overpower Cross Keys. Senior Jimmy Chesnut accumulated 200 yds. rushing and scored the four Tucker touchdowns.

## Junior Class Boasts DeKalb's Top Teen-ager

From the masses of talented young people surging through the corridors and classrooms of our high school, occasionally emerges a student so outstanding that he seems to be ten feet tall. Such a student is 16 year old Phil Reddick, a junior at THS. We proudly present Phil as the most outstanding DeKalb County Teenager of 1968 chosen by the Decatur Optimist Club.
